Brenda informed the group that Aimee Johnson is not able to attend meeting due to other responsibilities and need to drop off the committee.

The group discussed the RFP and the rubric that will be used to for scoring. The rubric be included with the RFP so those responding will have a clear and accurate understanding of the expectations.

The committee discussed measuring outcomes annually and requiring those providing services to reapply yearly as well.

The committee would like to have the RFP and rubric completed and present to the Board of Commission in August and have programs started possibly in October; some thought that may be too soon to implement and realistically by the January 2024.

The next meeting is scheduled for July 24 at 8:00 a.m. in the same location.
