Larry Higdon, Cato Township Representative
Patrick Carr, Montcalm County Board of Commissioners, via phone

ABSENT: All Present

ALSO

PRESENT: Roger and Cathy Weiner, residents
Penelope and Douglas Wilson, residents
Mike and Sue Vellanti, residents
Brian Young, resident
Rick Butyen, Progressive AE, via phone
Anne Gaylord, Montcalm County Drain Commission

A motion was made by Todd and seconded by Larry to approve the agenda. Motion carried.

A motion was made by Nancy and seconded by Todd to approve the minutes from September 16, 2021, as amended. Motion carried.

Public Comments

Penelope asked what the meanings of "harvesting" and "spraying" are in terms of lake treatments. Marv advised of the purposes of each and also explained the differences. He also advised on the different regulations for the different methods, including regulations on lily pad treatments. Penelope asked how many times the channel has been dredged historically. Todd advised that the full channel has been dredged once and spot dredged a few other times.

Dredge Update

Todd went and checked out the dredge and said that it seemed like everything was running smoothly, but he would still like to talk to the property owner on the north side to get rights for an easement. Nancy asked why they thought it was necessary to have an easement on the north side of the channel. Todd stated that having an easement there would make it easier to maintain the channel with the help of the road commissioner if access was granted.
